CHANGES

The image shows a large-scale, faint watermark-like pattern of the word "GESCHANG" repeated in a grid across the entire page. Overlaid on this pattern are several handwritten messages in blue ink. These messages include "HAPPY BIRTHDAY", "A nice gift", "Hope to see you next year", "You are a great person", "I will miss you", "See you soon", and "Lots of love". The handwriting is in a cursive style, and some of the messages are partially obscured by the repeating background text.

*We've come upon a time of changes.  
A time to grow; a time to learn.  
It's time to evaluate ourselves;  
Search for our inner most meaning.  
Throughout our lives we will be  
faced with new and interesting  
situations. To expand our ideas;  
to wonder; to create. Changes, so  
important to our lives, and yet we  
wonder why.*

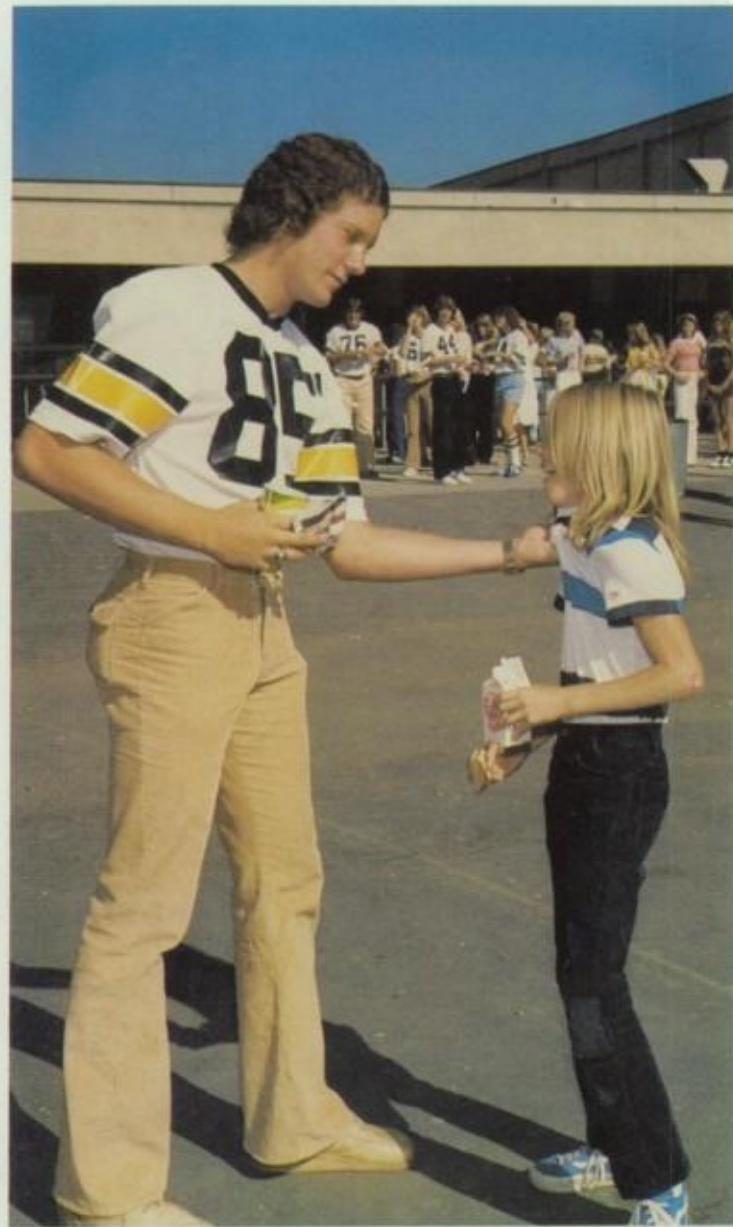

*Our lives began, what seems so long ago, when our bodies were not our own. We were dependent on others to live and grow for us.*

*Then we went through a time of change when we were dependent on only ourselves. Our minds and bodies were soon our own. So this is where our life begins! The beginning of our many changes.*

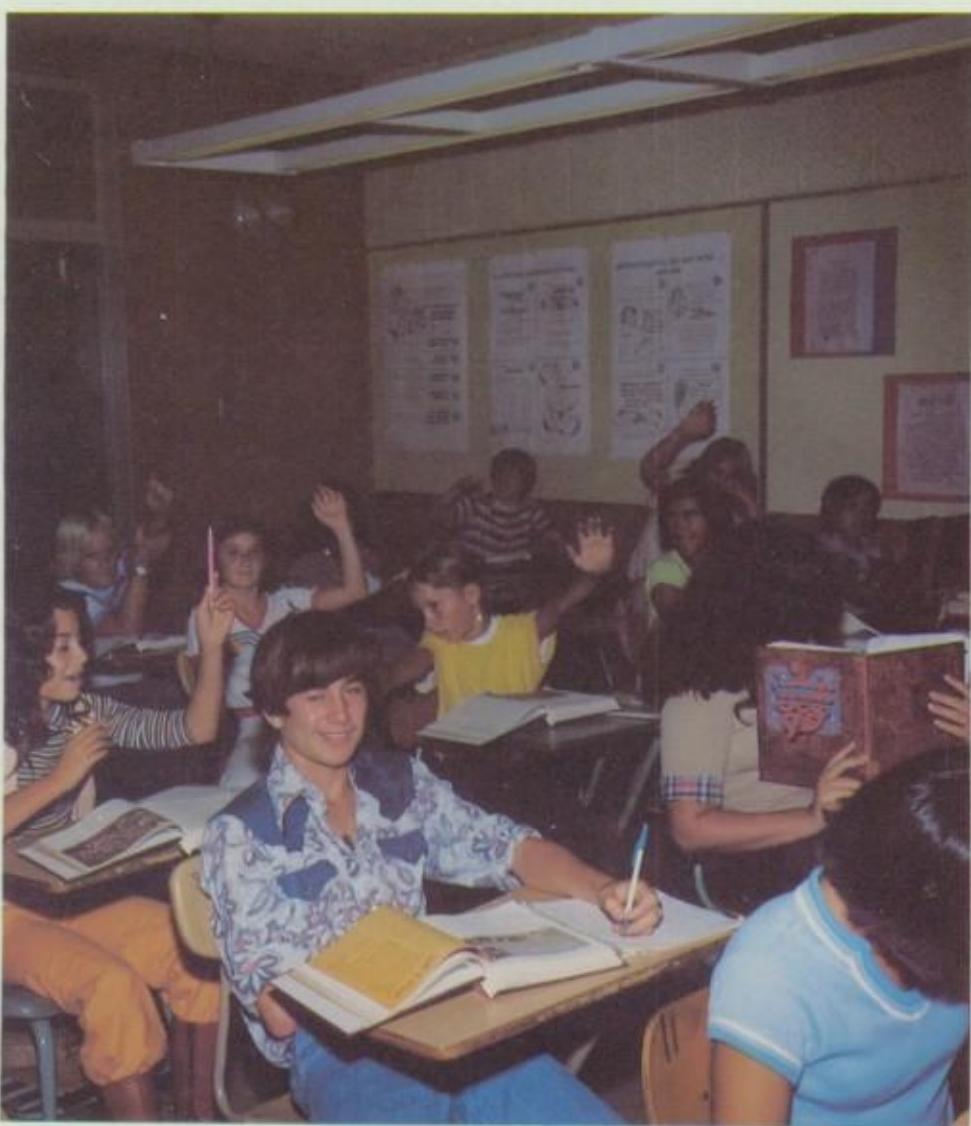

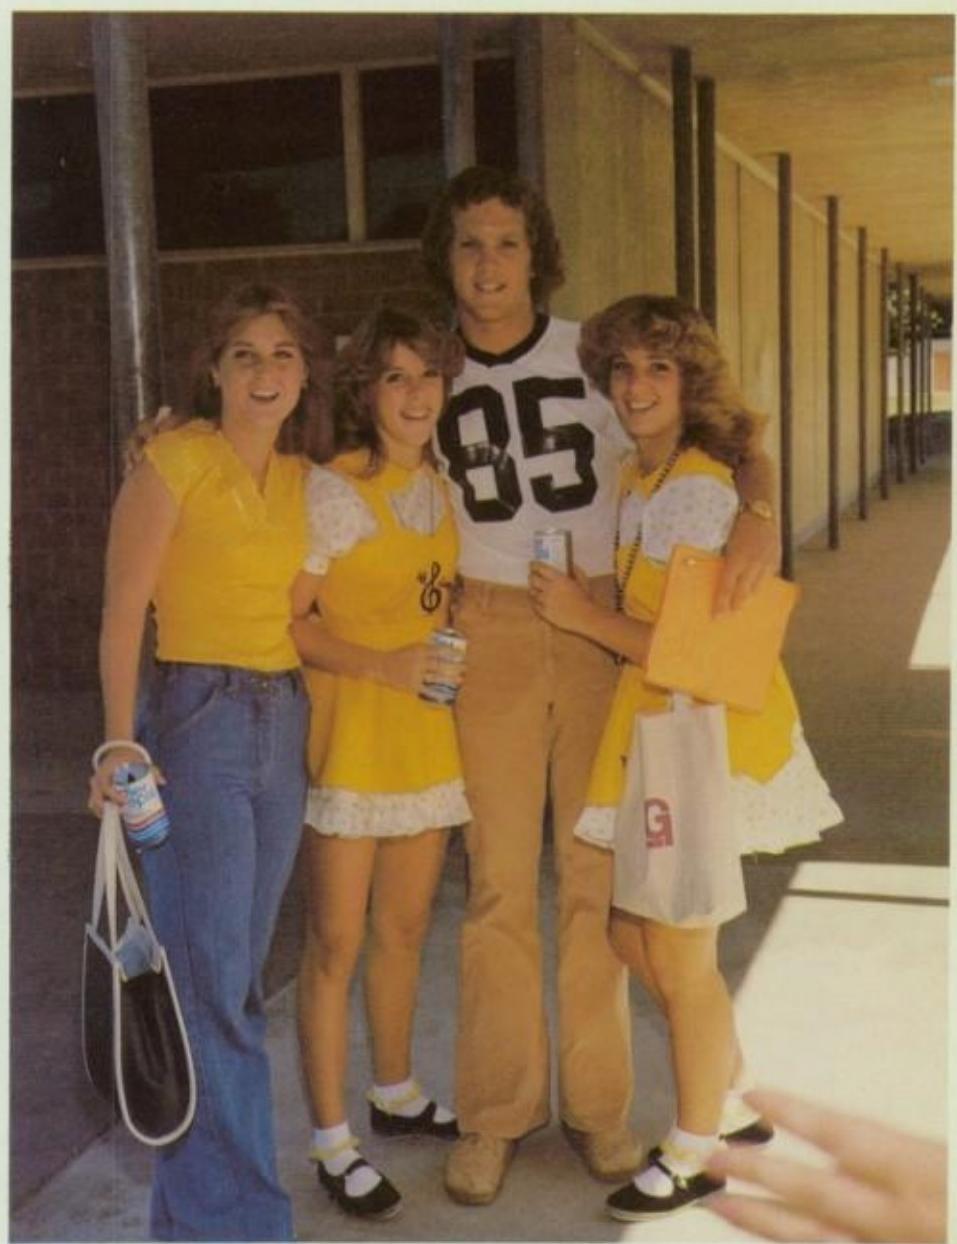

*The years pass on and our school days begin. Remember how eager and vulnerable for knowledge we were? Everything was so new; so different. Changes were happening all about us. New styles; new faces; new ideas. We speak of changes. The changes are now unlimited.*

## *Annual Staff Dedicates The 1978-79 Troiani To Mrs. Jean Jerome*

The 1978-79 Troiani annual staff has proudly chosen to dedicate this annual to a very wonderful lady by the name of Mrs. Jean Jerome. Her concern for the school and her active participation in this year's changes were the bases for this dedication.

Mrs. Jerome was born in Hemstead Long Island on April 1, (April fool's day) where she spent her early childhood.

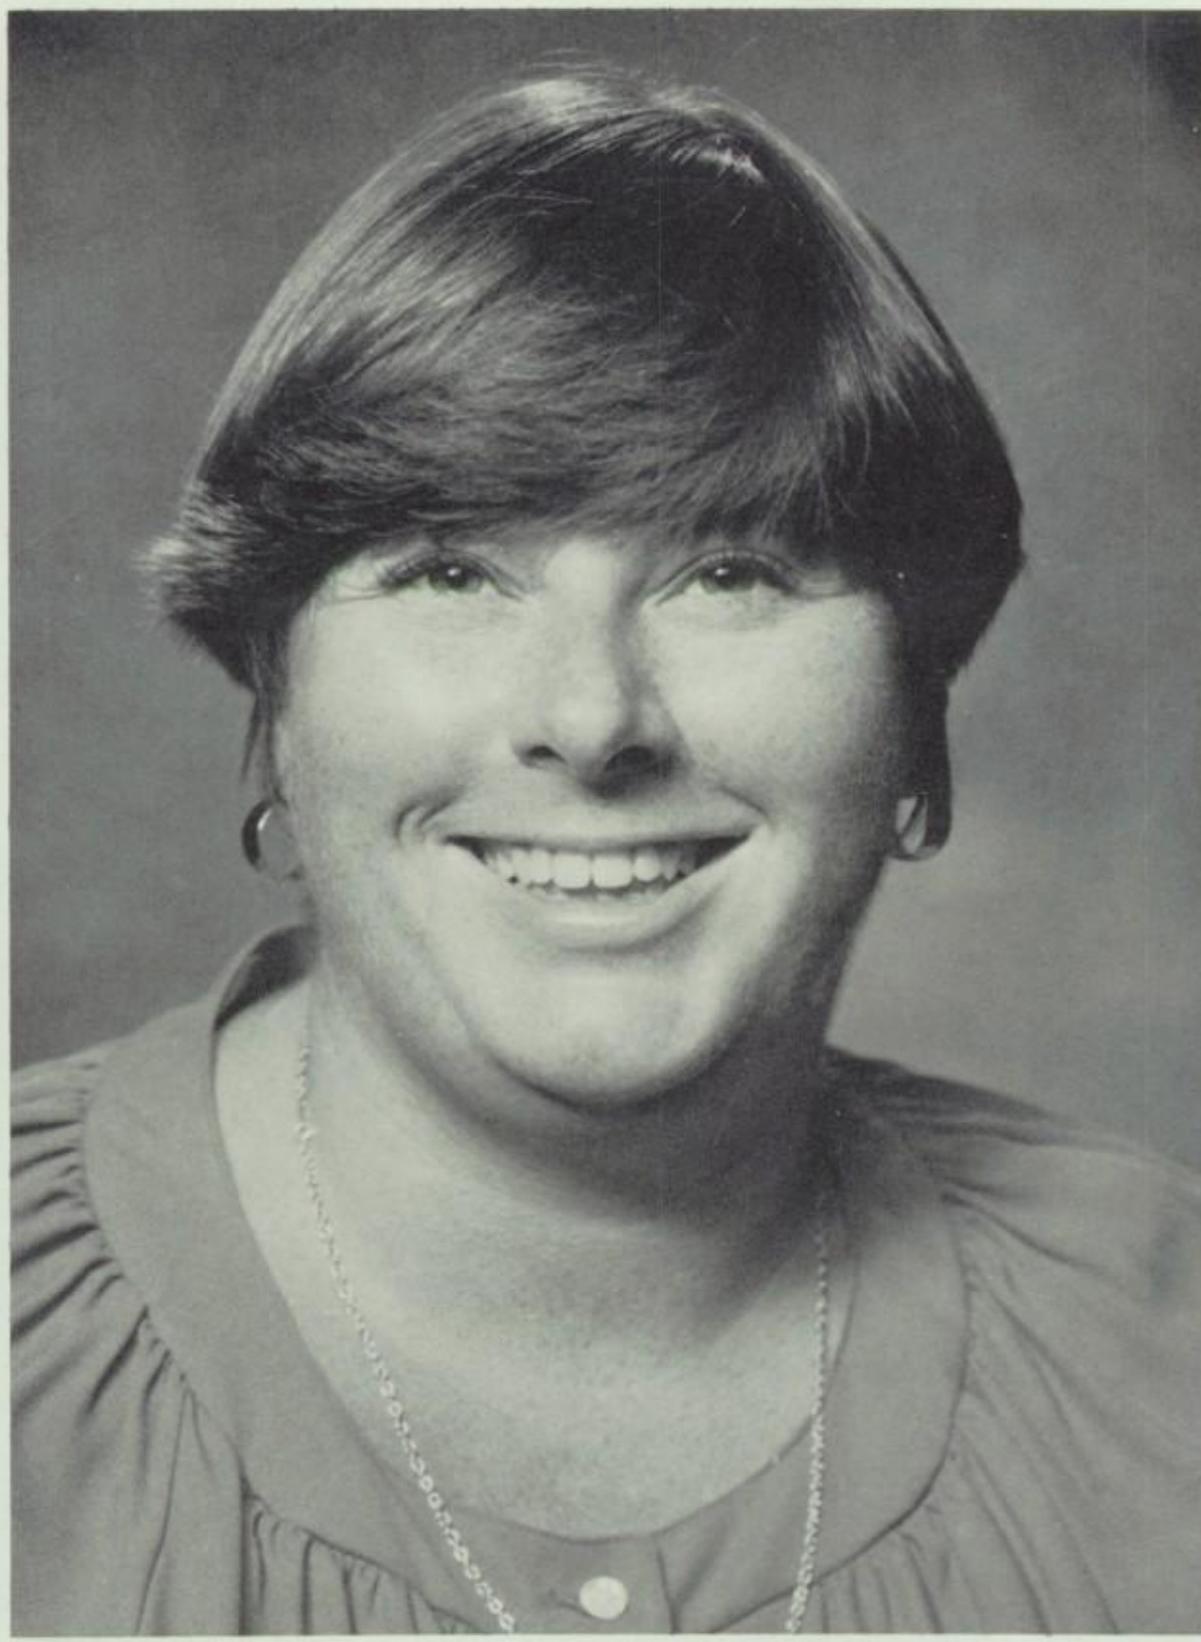

From there Mrs. Jerome moved with her family to Kalamazoo Michigan. Her parents bought a summer home on Gull Lake about one half hour's drive from Kalamazoo. Mrs. Jerome spent almost all of her weekends and summers at the lake where she loved to swim and sail. In the winter the lake would freeze over and she would go ice skating.

Mrs. Jerome moved with her family to Redlands California where she spent her senior year at Redlands High School. After graduation she went to the University of Redlands for four years. One semester, while at Redlands University, she went to school in Salzburg Austria where she brushed up on her German. Mrs. Jerome then went to the University of California where she got her teaching credential. She was married to Bill Jerome on July 31, 1971. She now resides with her husband in Tustin.

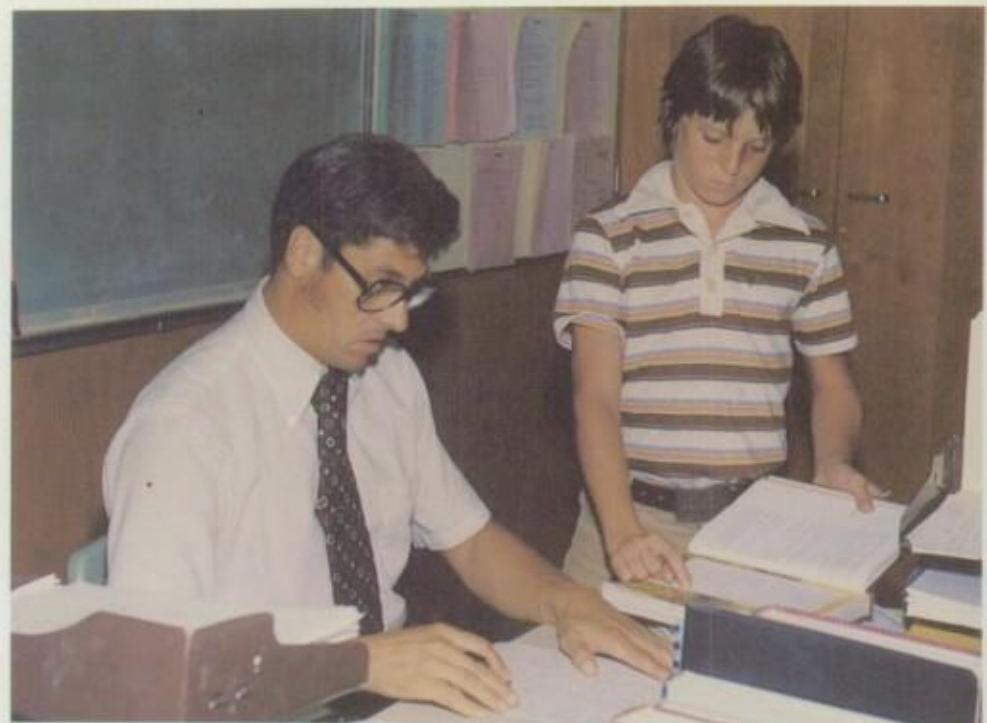

Mrs. Jerome came to Neff in 1970-71 where she taught a variety of English Classes and her major, German. Mrs. Jerome received the title of Activities Director and A.S.B. Advisor in 1974-75. In turn she had the chance to work with all of the clubs, class and A.S.B. officers. Any activities that took place, Mrs. Jerome was there to follow them through. Mrs. Jerome, retiring from this title this year, was handed a new responsibility as Accreditation Chairman.

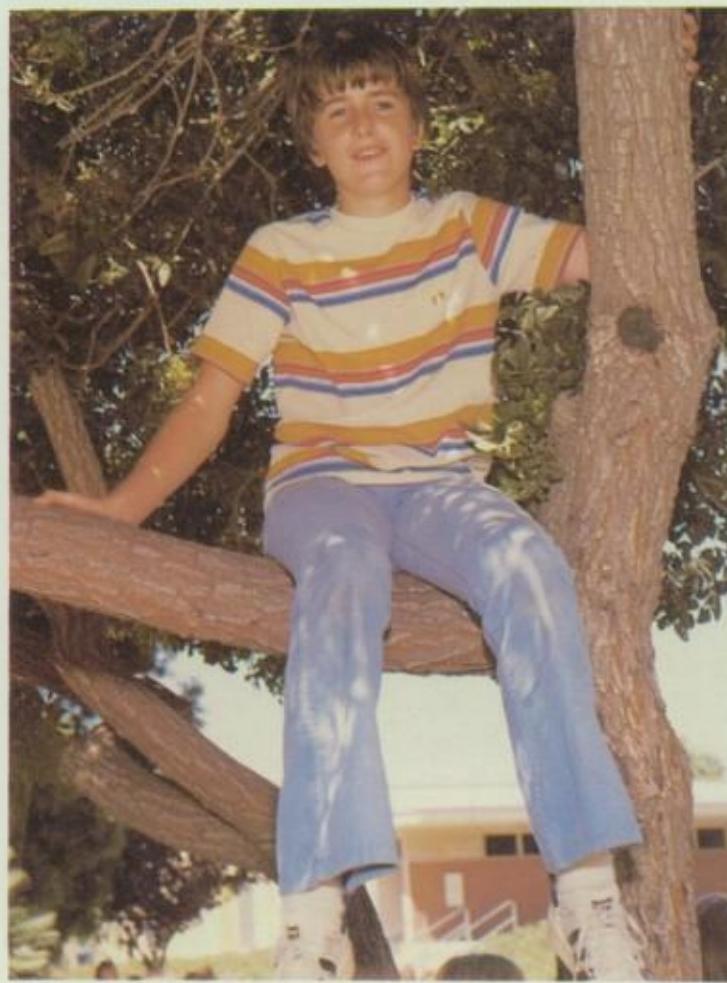

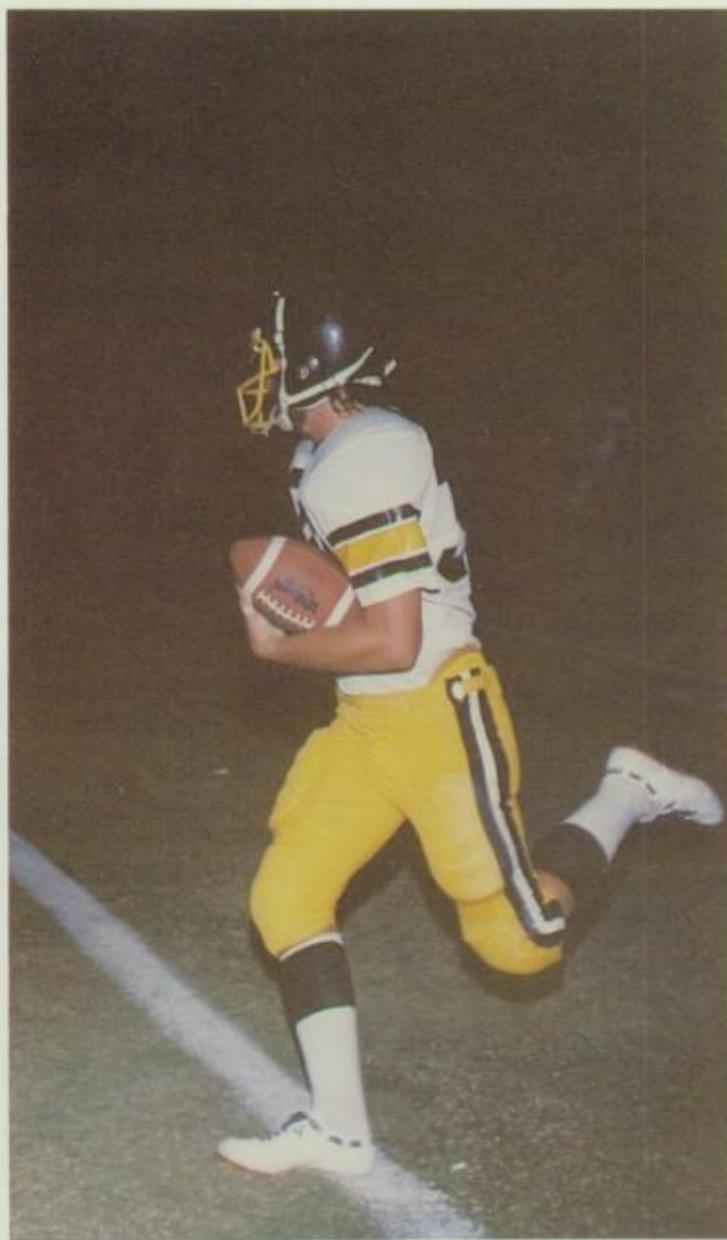

As you can see, Mrs. Jerome has devoted many hours to our school. This dedication is just one way for us to say, "Thank You Mrs. Jerome!"

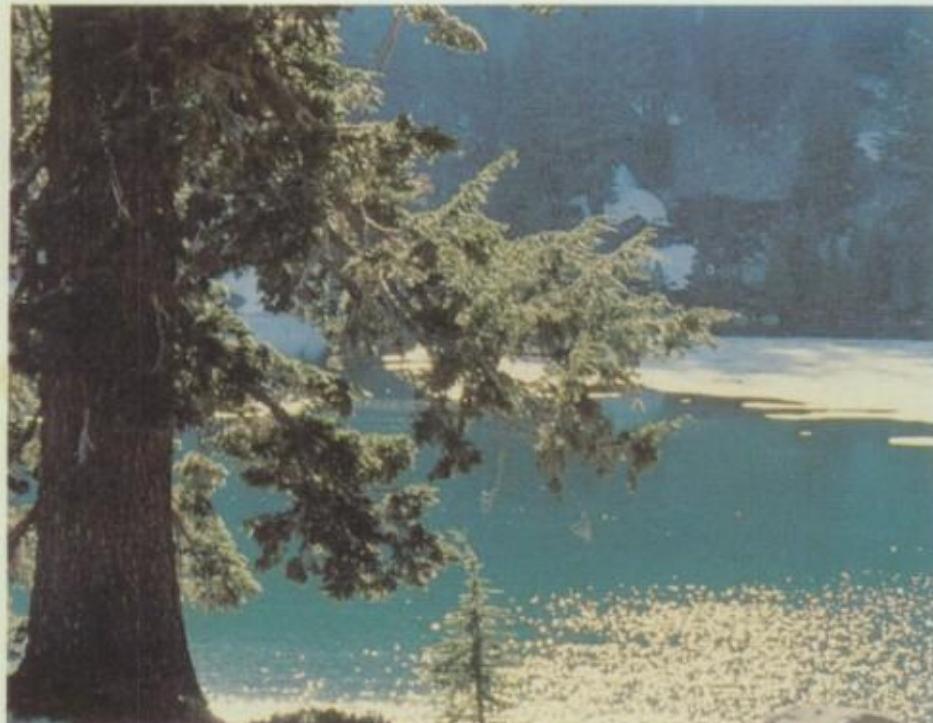

*What's changed? Look around. They  
have added a new class to our  
school; new teachers; new ways.  
Recognize new leaders; old friends.  
The familiar way of life changed.  
We see double lunches; double  
rallies. We see segregated time  
schedules; segregated sports. Are  
the changes going to stop here?*

*Every year there seems to be more and more changes made. Yet, this year seems to have had the most.*

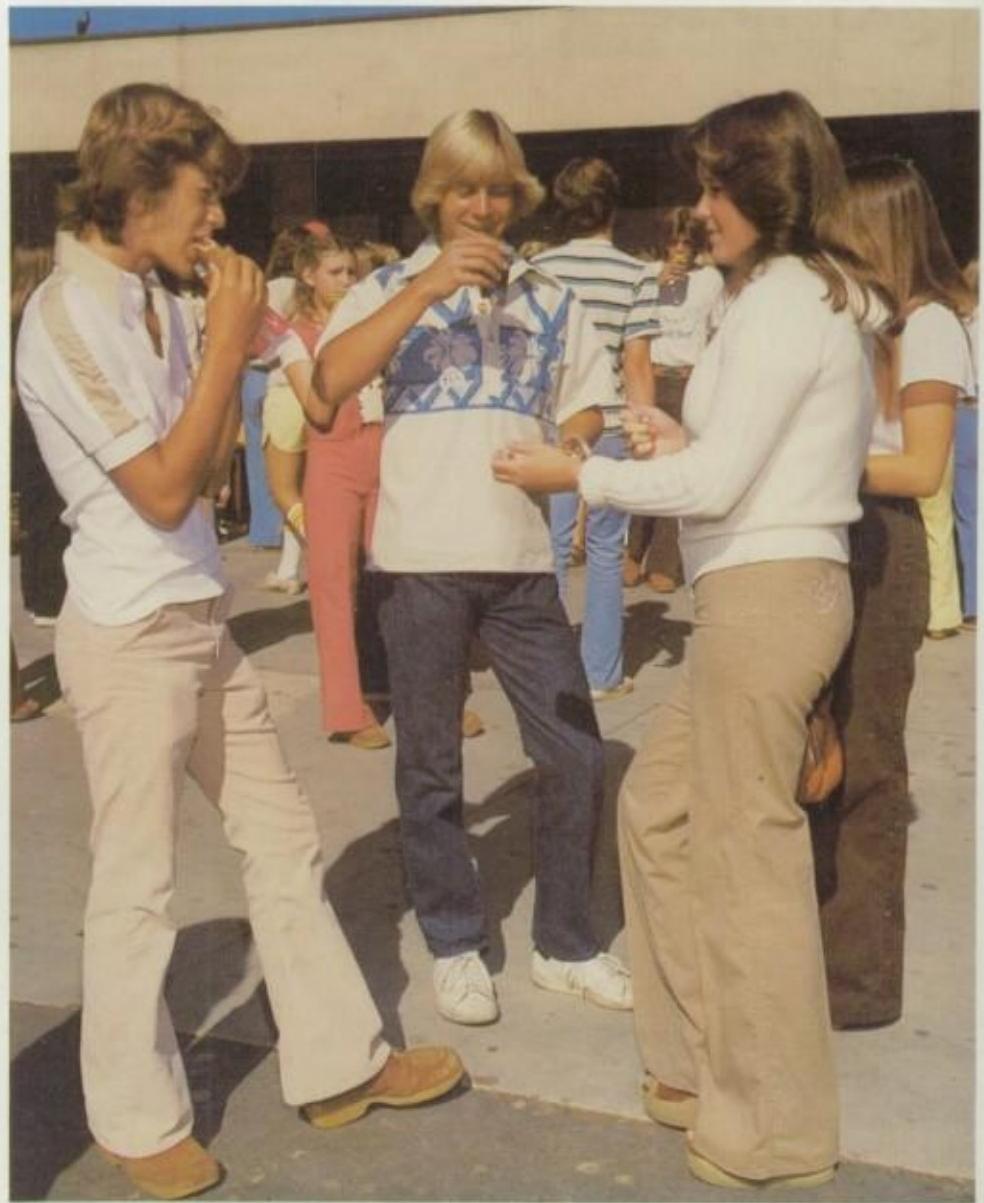

*But that's what makes this year so special. Many changes are being tried for the first time. So we are the ones given the credit.*

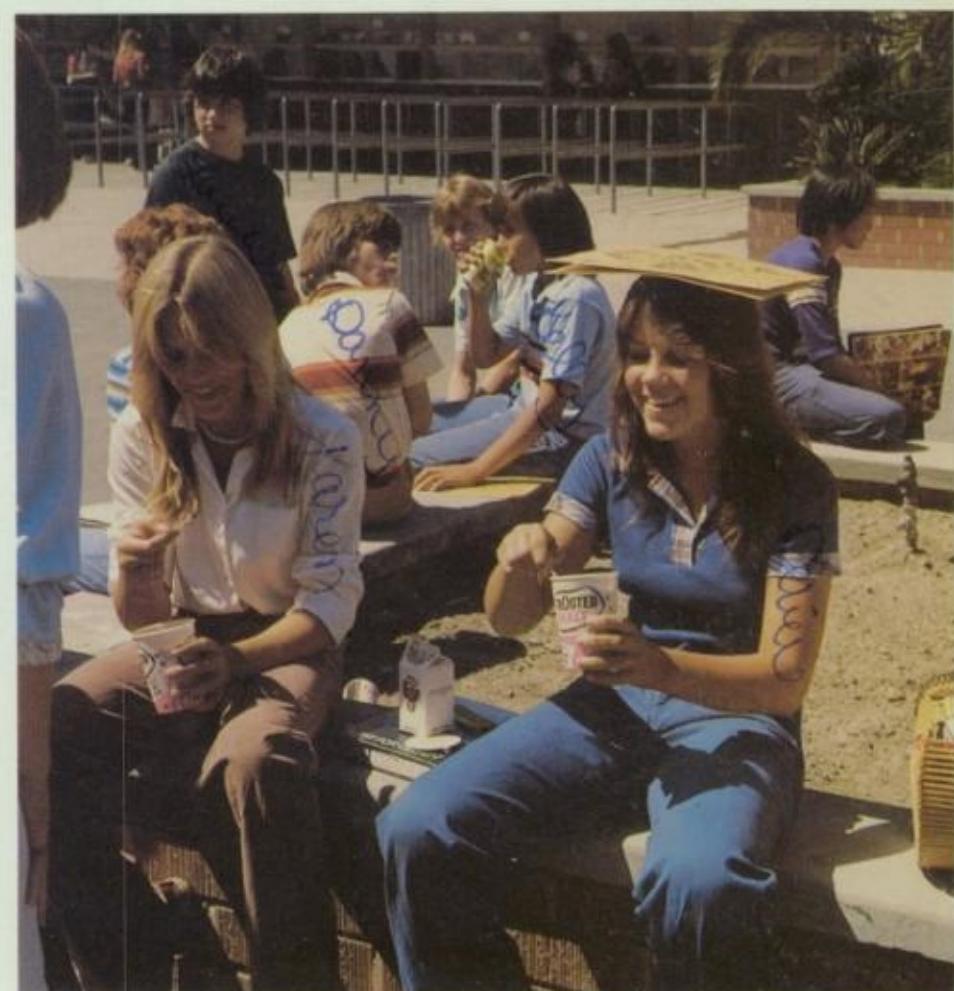

*When we speak of changes, we speak of improvement. With the help of the entire student body we can keep making changes. Changes that are essential to all our lives. We change; our friends change; even the seasons change. The whole world revolves around changes. For without them, life has no meaning.*

# Activities

*As we change from year to year the memories of the activities we were involved in are captured by a photograph to remind us of our many good times. As we grow older our good times change. This year's change resulted in spirited rallies, enthusiastic games and great delight in all activities.*

## A.S.B. Has A Great Year

78-79 was a fantastic year. The hard working A.S.B. cabinet really got involved in creating a fun atmosphere here at school. They were in charge of the rallies, assemblies, and the senate meetings. Parents Night was also sponsored by them. They attended Redlands University seminars for ideas on how to make this year a memorable one. Mr. Gertz also did a remarkable job as advisor this year. They worked as a team to deliver a year full of laughs and excitement. The A.S.B. officers deserve a lot of credit for making this year one of Neffs' best yet.

## 1978-79 Yearbook Staff "Books"

This year once again in a return performance the Yearbook Staff has produced a fantastic book. All twenty, including the advisor, Mr. Miller, worked extremely hard to make this 1978-79 yearbook different. Congratulations Staff, job well done.

## Neff Rallies Crank!

Rallies always brought about excitement and laughter, especially by having crazy contests, senior privileges, class competition, and the exchange rally. But rallies were also very informative. Players of the week, Girl of the Month, Homecoming nominees, and team members of all sports were introduced. Rallies are a special event that everyone should always be a part of.

## *Trojans Go "Wild" During Spirit Week*

Neff can sometimes be dead but it always seems to come alive during Spirit Week. Spirit Week consisted of 60's Day, Halloween Day, Military Day, Cave Man Day and Toga Trojan Day. It is a five day long celebration honoring the Homecoming Court and it is tipped off with the Homecoming game and dance. Spirit Week is one week at Neff High that no one will ever forget!

## *Queen And Court Are Honored*

The Homecoming Game, as usual, topped off an exciting Spirit Week. The climax of the evening came when the announcer stated that our 1978 Homecoming Queen was Sherrie Holt. Sherrie reacted by saying "I could hardly believe it was my name that I heard. It didn't hit me until I saw my name in fireworks." Queen Sherrie was escorted by Wayne Jones. The four princesses were Linda Coie with escort Rich Ortega, Kelley Cox with escort Hendrick Brightman, Kelley Hull with escort Mike Ferlita, and Vicki Renaud with escort Art Armendariz. The traditional dance afterwards held many memories for all who attended.

## Songleaders Are “Lollipop” Kids

This year Song had day uniforms which made them look a little like “Lollipop” Kids. But besides eating lollipops Song went to camp during the summer and got a third, a fifth and a first place trophy. They were also awarded as the first place hardest working Song unit. They competed throughout the year at competitions besides songleading at all Varsity games. ## J.V. Yell Leaders Are The Dutiful Dozen

Once again J.V. Yell was always kept busy this year attending all of the football and basketball games as well as going to competitions. In the summer the 12 sophomore girls went to camp and got a second, third and a second place on the three days of competing. Due to their enthusiasm being on a squad here at Neff for their first year, they also received a Spirit Jug the first night of camp. These great statistics were the chief reason they were the co-winners with Varsity Yell for the Sweepstakes Trophy on the last day. Great job girls, Congratulations!

## Banner, Tall Flag And Drill Do It To It

These three units all practiced last summer and really worked hard. They showed us what school spirit really is. Banner being very dedicated, practiced until they had their routines super looking. This year marching right along with the Band proved that they really are a hard working squad. Tall Flag, being a new squad here at Neff, proved to live up to expectations. Having to devote most of their time to practice, they did a fantastic job of carrying the flags with Neff pride! Drill Team has once again marched on with more spirit and pride than ever! These girls practice in the morning along with the band in order to perform as sharp as they look.

Drill Team, Tall Flag, and Banner really deserve the thanks for performing at half-time during football games and for all the effort that was put into this year.

## New 8th Grade Dances Are A Success!

The first 8th grade dances seemed to have been enjoyed by all who attended. These dances gave the students a chance to have a great time and listen to some really good music. ## *Butterflies Are Free*

Neff's first play this year proved to be another product of Neff's excellent drama department. This drama-comedy takes place in an apartment where a blind man, played by Mark Prull, is trying to cope living alone. He then meets his wild and crazy next door neighbor, played by Marsha McIntosh, and they seem to fall in love. Trouble begins when his mother objects to the idea, but love conquers all and they live happily ever after. All the actors did a fantastic job and started the drama season off right!

## Drama "Does It To Death"

The Drama department's second play of the year was a comedy, "Done to Death". This play told the story of a group of producers trying to come up with a brainstorm of a television show. The comedy in the play kept the audience interested and laughing. The long hours of rehearsals paid-off in the end, because it has been one of the best plays yet.

## *"Arsenic And Old Lace" Wraps Up The Year*

"Arsenic and Old Lace", the final play of the year, was the best one yet. The Drama department's second comedy of the year proved to be a success. The story is about two sweet old ladies and their three nephews. These old ladies misguide their kindness by killing off men that had no next of kin and doing it as a favor to the men. One of the nephews is a criminal and is an outcast, one thinks he is Theodore Roosevelt and is always causing some kind of trouble, the last one is the only sane one and tries to hide all the mishaps that go on in the house from the police and save the family name. The play was witty and very funny, and was a great way to finish up the year!

## Trojans Are Tops In Suburban League

The Trojans kicked off the 1978 season with a 16-0 whitewash of La Mirada. All the scoring came in the first half as Eric Herman scored on a pass from Steve Mullinax, Don Weeks returned an interception for a touchdown and a Rocky Costello field goal provided the scoring nucleus. The Neff defense recorded the first of many shutouts. The Trojans expected a hard fought battle with Gahr, but instead got a rout. The Trojans scored 8 touchdowns, 5 in the first half, 3 by halfback Glen Buhr, as the Trojans romped 55-6. Neff opened league with revenge on their minds. The Norwalk Lancers must have not known what hit them. Before they could say "CIF champs," they were victims of the Trojans. Eric Herman pulled down two touchdown passes, and Rocky Costello added two field goals as Neff won, 42-0.

## Trojans Remain Undefeated

Bellflower was next on the Trojan casualty list as the defense recorded their third shutout of the young season and the Trojans coasted for a 29-0 victory. Steve Mullinax and Ron Torres scored early touchdowns, and Glen Buhr scored on a 64-yard run that cinched a 27-7 trouncing of Artesia. The Trojans were caught looking ahead in the Excelsior game and led only 3-0 after the first quarter on a Rocky Costello field goal. But before the night was over, Ted Haupert, Kevin Ostler, Dave Rush, Glen Buhr, and Mark Jaycox had scored touchdowns and Costello had added two more field goals and the Trojans ran away from the Pilots, 46-0.

Neff next faced their toughest match to date in the Paramount Pirates. The only score in the first half came on a 35-yard field goal by Rocky Costello. Steve Mullinax scored a touchdown in the 4th quarter which gave Neff a 10-0 lead. Pirate QB Scott Jones swept around the end for a touchdown in the final minutes, but it was a case of too little, too late as the Trojans won 10-6. The Trojans trailed Glenn, 3-0, early in the game, but it was all Neff from then on. Glen Buhr piled up 194 yards rushing and Rocky Costello kicked a school record 49-yard field goal as the Trojans coasted, 30-3.

## Trojans Lose In Final Game

A near capacity crowd at La Mirada Stadium watched Mayfair take an early 3-0 lead on a 31-yard field goal by Mark Coleman. But from then on it was all Neff, going 72 yards in six plays on the ensuing drive, capped by a 4-yard touchdown by Glen Buhr. Ken Woodburn scored on a 9-yard pass from Steve Mullinax to build a 14-3 halftime lead. Before the evening was over, Buhr had two more touchdowns, Rocky Costello added a 42-yard field goal, and the Trojans had earned their second consecutive Suburban League Championship.

Buhr opened the CIF playoffs on the first play from scrimmage with a 74-yard touchdown run and the Trojans never looked back. Steve Mullinax added an 80-yard run, Ken Woodburn scored on a 41-yard pass from Mullinax, Buhr added another touchdown, and the defense recorded their fifth shutout in 1978 as Neff romped, 26-0.

Schurr led the Trojans 6-3 at halftime; first time any team had managed that all season. But Neff came out in the second half with fire in their eyes as Glen Buhr ran for 220 yards on 39 carries and Neff advanced to the semifinals against league rival Paramount with a 17-6 victory. On a freezing night in Paramount, Neff had no problem eliminating the Pirates from the playoffs. Unlike the first game, the outcome was never in doubt as Paramount never threatened, and the defense had shutout number 6 of the season.

It was billed as the battle of the unbeatens, and a battle it was, as the Trojans matched up with the CIF powerhouse, Temple City. Two second quarter field goals by Temple City's Senior Gary Riley provided the Rams with all the scoring it needed to give them a 6-0 victory. The Trojans set several records in 1978; they had the best winning streak in the history of the school (12-1), most points scored in a season (345), and least points given up in a season (31).

## Sophomores Stay Tough

The sophomore football team dropped their first two pre-season games, but came back during Suburban League play and were undefeated until the last contest with Mayfair. They lost in a close contest and finished second in league. The defense, led by tackle Mike Sorrano and linebacker Leo Briones, yielded only 20 points through the first six league games.

Greg Delamare led the Trojan offense at quarterback and had scored 102 points through the Glenn game. The Sophomores practiced and improved throughout the season and showed much promise for the future.

## Freshmen Are Impressive

The Freshmen, under the direction of Coaches Popovich, Carrico, and O'Neil, carried a 3-3-2 record going into the final game of the season. Offensive standouts include tight end Randy Stephen, who also doubled as a safety on defense. Other defensive stars are end Juan Escudero and Ralph Springer, linebacker. Close losses to Glenn and Artesia, and a tie with Paramount hindered their chances for a league championship.

## Girls Cross Country Qualifies For CIF

With the help of Mr. Bob McGuire, the Girls Cross Country team ran very well this year. The team was led by D'anne Gorman, Carla Carpenter and Tammy Ulibarri. These girls along with Sheila White and Pam Nelson helped give the Trojans a first place finish in the league finals. The girls had a record of 5-2 in league and they placed first in the Norwalk-La Mirada District Meet. Their third place finish in the league finals helped the girls qualify for CIF. And with the three top girls running for Neff, the Trojans should do very well.

## *Varsity/Frosh Cross Country Teams Do Well Despite Small Turnout*

The 1978 Boys Varsity Cross Country Team had a record of 5-2. The Trojans suffered a little because of a small turn out of guys this year. Robin Mitchell and Jim and John Prondzinski led the Trojans to a second place finish in the Norwalk-La Mirada District Meet and to a third place tie with Artesia in the league finals. One of the highlights of the Trojans' season was a win over Artesia. This was the first time Neff beat Artesia in ten years.

The Freshmen team suffered tremendously because they did not have the required five runners to score points. Because of lack of depth, the Trojans had to forfeit all of their meets. Coach McGuire commented that the Freshmen would have had a good chance in the league had they had a full team. Dave Kluck and John Harris ran well and should be excellent runners next year.

## Varsity Gains Experience

The Varsity Cagers opened their season on a cold night at La Mirada. Neff had a poor shooting night from the field and fell to the Matadores, 44-42. After a loss at La Serna, The Trojans went into the Bell Gardens Tournament against Colton. Terry Snavely poured in 32 points from the field and Neff advanced to the next round against Norwalk, whom they defeated easily, 58-50. Trailing by 13 at halftime, the Trojans played their best Basketball of the season in the second half, and edged St. Paul for the championship, 41-40. Snavely was named the tournament M.V.P.. The Brea Tournament was a different story for Neff. After defeating University, 46-44, the Trojans ran into the hot shooting Brea-Olinda Wildcats, who had no trouble in downing Neff, 69-60. After losses to Garden Grove and Canyon, League started and the Trojans won easily over Excelsior, 49-42. A poor shooting night from the field caused Neff to fall to Norwalk, 52-43. The Trojans turned in their finest defensive performance of the season and they turned away Glenn by the score of 67-60. The turning point of the season came in the Artesia game. The cagers blew a 5-point lead with 58 seconds left and lost, 58-57.

## *Varsity Will Be Ready For Next Year*

After consecutive losses to Bellflower, Mayfair, and Paramount, the Trojans went into the 'Pit' to face the Excelsior Pilots. Neff once again blew a 5-point lead with a little over a minute to play and fell in overtime, 65-63. Contrary to the previous week, the Trojans swept the next two games by defeating Norwalk and Glenn by the scores of 67-49, and 67-57, respectively. Artesia and Bellflower had no trouble in downing Neff, 76-56 and 51-42. The Trojans gave Mayfair a battle before the Monsoons pulled away for a 14-point victory. In the final game at Paramount, Neff was really no match for the playoff-bound Pirates, as they coasted to a 76-61 victory. With four lettermen returning for next year, the Trojans hope to be headed for C.I.F. when February rolls around.

## J.V.'s Begin League With Four Straight Wins

The J.V. Basketball Team started the season off with four wins in a row. In their victories over Excelsior, Norwalk, Glenn, and Artesia they looked unbeatable at times. The cagers then suffered two tough losses at the hands of Bellflower and Mayfair. In the final game of the first half, the Trojans faced the speedy Paramount Pirates. Neff had a poor shooting night from the field and fell for the third time this season. The Trojans finished in 4th place behind Paramount, Artesia, Mayfair, and Bellflower. With many of this year's juniors already playing on the varsity level, the Trojans figure to be top contenders for the Suburban League Crown next year.

## Frosh Place Fourth

The Freshman Team, under the direction of Eric Bangs, finished 8-6 and placed fourth in the Suburban League behind Artesia, Excelsior, and Bellflower. # Varsity Volleyball Enters CIF For 6th Straight Year!

The 1978 Varsity Volleyball Team had a tough time trying to stay alive in the race for a CIF berth. But with the great coaching of Sue Tisdall and the determination of the players, the Trojans managed to win their last two games against Mayfair and Excelsior qualifying them to represent the Suburban League as the third place team with a 8-6 record. The Trojans found themselves matched against Alta Loma, the number one team in the San Antonio League. The girls played a fantastic match, winning the first game, 15-9, but losing the next two, 11-15, 11-15. This game was by far the best game the girls played all season.

The team was loaded with individual talent. J.V. players Jill Terry and Kathleen Lundquist earned starting positions while Rita Robertson and Vicki Swickard did a good job coming off the bench. Seniors, Missy Newgent and Ginny Cohen, led the offensive attack with their excellent spiking. Michelle Kalte stood out with her great setting while Sue Kellison played well defensively.

## J.V. Volleyball Takes Second Place

With almost all new players this year, the J.V. Volleyball Team, under the guidance of Bette Brunner, did a great job. The Trojans placed second in league with a 10-4 record. Doing an outstanding job as hitters for the team were Carol Moore, Veta Mora, Cathie Davis and Georgia Boulanger, while Carol Cowan and Jamie Roberts looked good in the setting department. Freshman Kim Hum and Sophomore Sherri Seager did an excellent job as first year players and should help the team a lot next year.

## *J.V. Basketball Gains Experience*

The 1978-79 Girls J.V. Basketball Team, coached by Sue Tisdall, had a league record of 8-6. The Trojans played better than their record suggests, losing many of their games by just one point. Coach Tisdall feels that her team was fairly strong defensively, but their offense lacked the consistency needed to win the close games.

Leading the team in scoring were Diana Steckbauer, Vicki Swickard, and Cindy Dwyer, while Steckbauer, Leanne Wills, and Jill Terry dominated the boards. Darlene Castillo and Georgia Boulanger did a great job hustling on defense, leading the team in steals.

## Inconsistency Hurts Trojans

The 1978-79 Girls Varsity Basketball Team, under the guidance of Al Uribe, had a commendable season. The Trojans participated in two tournaments, one of which they hosted. In this tournament, the girls played very well one game, but bad the next. This seemed to be the pattern of the entire season. One of the Trojans' best games was the consolation finals in the Neff tourney, in which they were matched against an excellent Sonora team. The girls played great, winning 67-60.

As league play started, the Trojans were very confident, winning their first three games. But good fortune turned into bad as they began their long losing streak of five games. The girls' first loss was against league rival Artesia. This game was close up until the closing minutes when turnovers plagued the Trojans. The final score was 31-41. Against Bellflower, the Trojans were never in the game as the Bucs proved to be too tough for them, winning 70-43. Against Mayfair, the Trojans committed too many errors, losing 41-50. What really hurt the girls were losses against lowly ranked Paramount and Excelsior. Determined to end their losing streak, the girls ousted Norwalk and Glenn and were out to get the three top teams, Artesia, Bellflower and Mayfair. All the Trojans could do was get close, but not close enough to pull out a win. The Trojans ended league with a 6-8 record and a fourth place finish.

Leading scorers for the team were Ginny Cohen and Missy Newgent, each averaging about ten points a game. Newgent and Carol Moore dominated the boards. Kathleen Lundquist played well at both ends of the court while Jojan Hieda and Kelly Cox did a good job coming off the bench. The playmaker of the team was Ginny Cohen, passing off for the most assists.

1. Ginny Cohen puts up a shot as an opponent attempts to block it.
2. Missy Newgent shoots for two.

## *Varsity Baseball Gives It Their All*

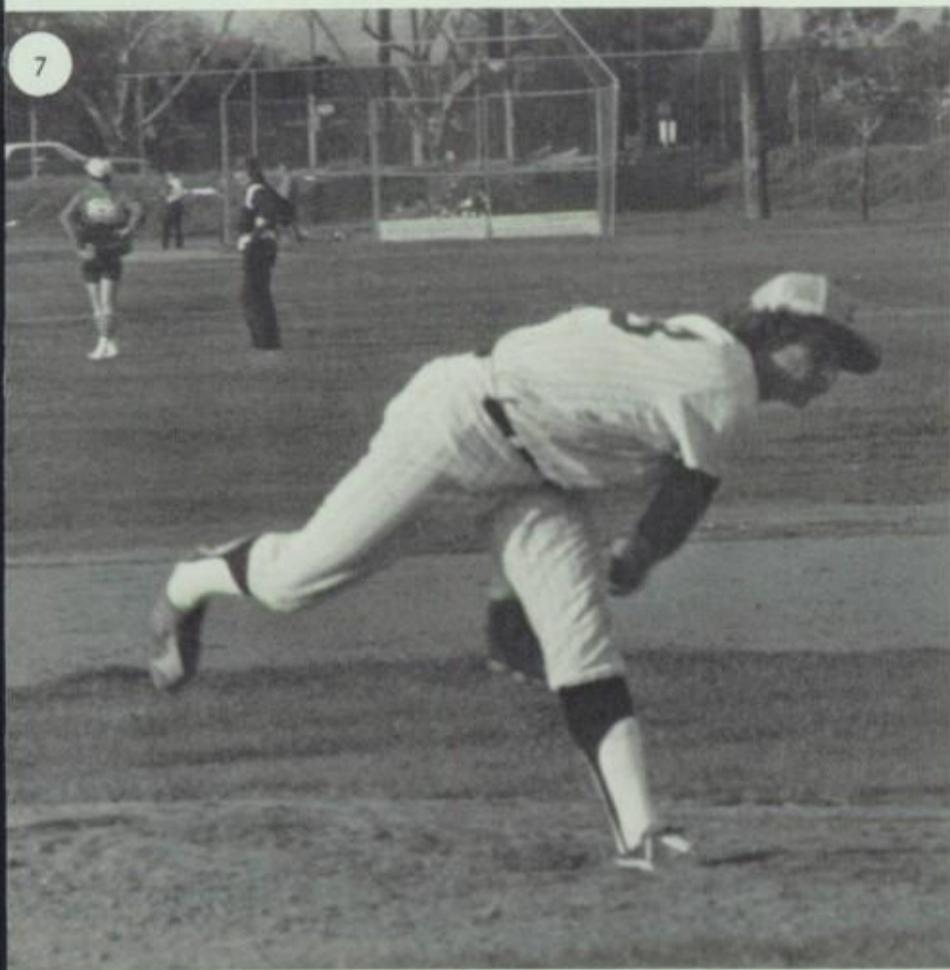

This year's Varsity Baseball Team was headed by Coach Mike Knapp. The team was well equipped with many fine athletes. Some of the key returning Varsity lettermen were Seniors Tony Sherwin, Craig Gauthier, Ron Torres and Ted Haupert. A few of the exceptional new comers to the Varsity Squad were Senior Jerry Neilsen, Junior Jim Ashker and Sophomore Rich Doyle. We hope to see these and all other new players back next year for an equally fine season in 1980.

The 1979 Varsity Softball Team, under the direction of Coach Jan Blume, had only four returning players. This young team had a lot of talent, but inconsistent playing blew many games they should have won. With only two players graduating, Coach Blume looks to have a very good team next year.

The J.V. squad had more success than the varsity did. Under the coaching of Cecilia Tafoya and assistant Pam Dolan, the girls went 3-0 in pre-season and had a lot of success against league teams.

1. Row 1: D. DuRivage, J. Bird, D. Tillinger, B. Talavera, D. Hosman. Row 2: D. Thomas, D. Krisik, C. Cowan, S. Marschke, T. Gallop, R. Byers, R. Lizardi.

## *Varsity Track Stays On Top*

In staying with the past tradition, this year's track team will dominate, and possibly take the Suburban League title. With many returning Varsity letterman along with some strong new talent, chances are better than average. The 440 team, Pat Langon, Phil James, Kevin Ostler, and Ron Scott, will again be one of the fastest ever. Robin Mitchell and Jim and John Prondzinski will dominate the long distances with strong support in the field events by Mike Kluck in pole vault, Page Procter in long jump, and Jim Whitney and Dave Rush in shot put and discuss.

7. Mike Kluck shows perfect style in the pole vault.
8. Terence Lawlor reached new heights as a junior.
9. Jim Prondzinski, John Prondzinski, and Robin Mitchell go 1,2,3, in the mile.

## *Girls Follow Footsteps With The Number One Team*

After winning the League Championship last year, it looks as though the girls track team will capture another one this year. With stars like Carla Carpenter, Tammy Ulibarri, Sharlene Wornets and D'Anne Gorman, how could they lose.

1. Tammy Ulibarri shows no sign of stopping in the 440.
2. Sharlene Warnets starts fast in the relay.
3. Carla Carpenter and Irene Torres lead the long distances.
4. Irene Castle hands off the Debbie Terry in the 440 yard relay.

#### Frosh-Soph Maintain Tradition

Although the Frosh-Soph didn't fill every event, they seemed to win. In the first league meet, they showed their strength by wiping out the Excelsior Pilots. This year's outstanding speedsters were Greg Delemare, Bill King and Robert Dominguez with support in the field events by Gary Straitand and John Harris.

3. In securing the 440 relay, Bill King hands the baton to Greg Delemare.
4. Scott Pehlke takes a low hurdle.

## Varsity Tennis' Talent Doesn't Show In Record

The Girls Varsity Tennis Team had a lot of good experienced players this year. Although their record was 6-8, the Trojans played extremely well, losing a lot of their matches in tie breakers. Coach Blume commented that, "Our doubles were very strong, but the singles were shakey because of inexperience. And with scoring being divided equally between doubles and single sets, we couldn't depend only on the doubles to win our matches."

The team was helped greatly by the number one doubles team of Gail Domann and Chris Curry, winning 30 out of 36 sets. The two sophomores, Kim Finuf and Sharlene Woronets, combined their talents to win 22 out of 36 sets. These two girls should rip the league apart next year. Next year Neff should be a tough contender for the league title as many talented girls will be coming up from the J.V. team and more than half of the Varsity will be returning.

## J.V. Tennis Has Potential But Inexperience Shows

The 1978 J.V. Tennis Team did well considering nearly all of the members were first year players. Their record this year was 6-8. Says Coach Tafoya, "We had trouble getting the girls to believe that tennis was a competitive sport and not just a P.E. class. This was the main reason the girls didn't place higher in league than they did!"

The doubles team of Robin Gordon and Sherrill Murphy did an outstanding job, winning 21 out of 33 sets. The singles players all were good players, but inconsistency in their play caused them to lose a lot of close matches. We should look for an awesome team next year as most of the J.V.'s are returning.

## Tennis Hopes For C.I.F. Bid

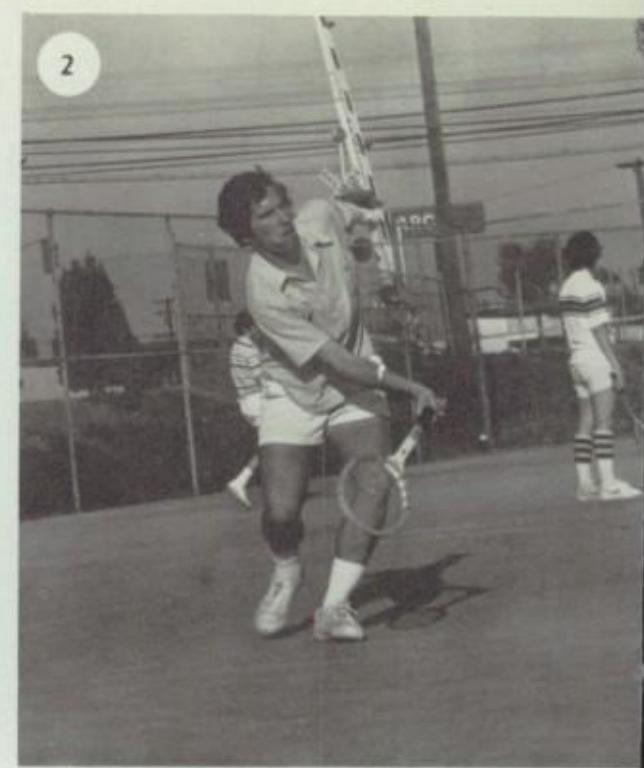

The Varsity Tennis Team, under the direction of Roger Williams, returned four lettermen from last years' 9-5 third place team. Led by two-time M.V.P. Eric Ferguson, the team recorded early season victories over Monte Vista, La Mirada, Artesia, and Excelsior. Early season speculation had The Trojans battling it out with Bellflower and Norwalk for the Suburban League Championship. Other singles players were Rene Vise, Ron Lucker, and Scott Scruggs. John Repka and Troy Johnson were the Number 1 Doubles team, and although they had troubles early in the season, they figured to be a strong combination as the season went along. Dan Moncino and Steve Galvan alternated with Mark Yniguez as the second doubles team.

## *Eighth Grade Sports Arrive On Neff Campus*

Neff's new eighth graders have arrived on the sports scene by competing in Interdistrict athletics. The sports both girls and boys participated in were volleyball, softball, soccer, basketball, track and cross country.

The fall seasons were volleyball and softball. The Girl's Volleyball Team, coached by Roger Williams, did great, defeating Glenn and La Mirada to take first place.

The Girls Softball Team also took first with a 3-0 record. The team was coached by Pam Dolan. Look for these girls to lead future Neff teams to victorious seasons.

## *Boys Volleyball And Softball Teams Take First Place*

The Boys Volleyball Team was led by Randy Vrieling and Mike Robinson. They came in first place by remaining undefeated throughout the tournament. Coach Williams did a great job in coaching these guys.

The Boys Softball Team posted a 3-1 record, losing only to the Glenn Eagles. Pam Dolan also coached the boys team.

## Eight Grade Shows Potential

The Eighth Grade Basketball Team, under the guidance of Coach O'Neill, didn't do quite as well as was expected, but they gained a lot of experience for next year as freshmen. This year was a learning experience and next year's freshmen team should have an advantage over previous freshmen teams with more experience and knowledge.

## *8th Graders Do Well*

The Eighth Grade Soccer Team, coached by Seniors Jerry Marschke and Duane Luzzo, did very well against district teams. They have experience from playing in the city league so things look really good for this young team. Look for these guys on future Neff Soccer teams.

5. Julie Torres beats her defender and drives baseline.
6. Shawna Aqueche waits for her team to set up the offense.

## *Eighth Grade Girls Don't Win, But Gain Experience*

The Eighth Grade Girls Basketball Team, under the fine coaching of Laurie Wakefield, didn't win many games, but they did gain a lot of experience and knowledge.

Donne Brandt and Shawna Aqueche led the team with their fine athletic ability and knowledge of the game. This eighth grade team should improve the girls basketball program immensely with their experience of playing competitive ball at the beginning of their high school years.

## Neff Athletes Shine In '79

Neff High School has experienced several changes this year, one of which includes the sports program.

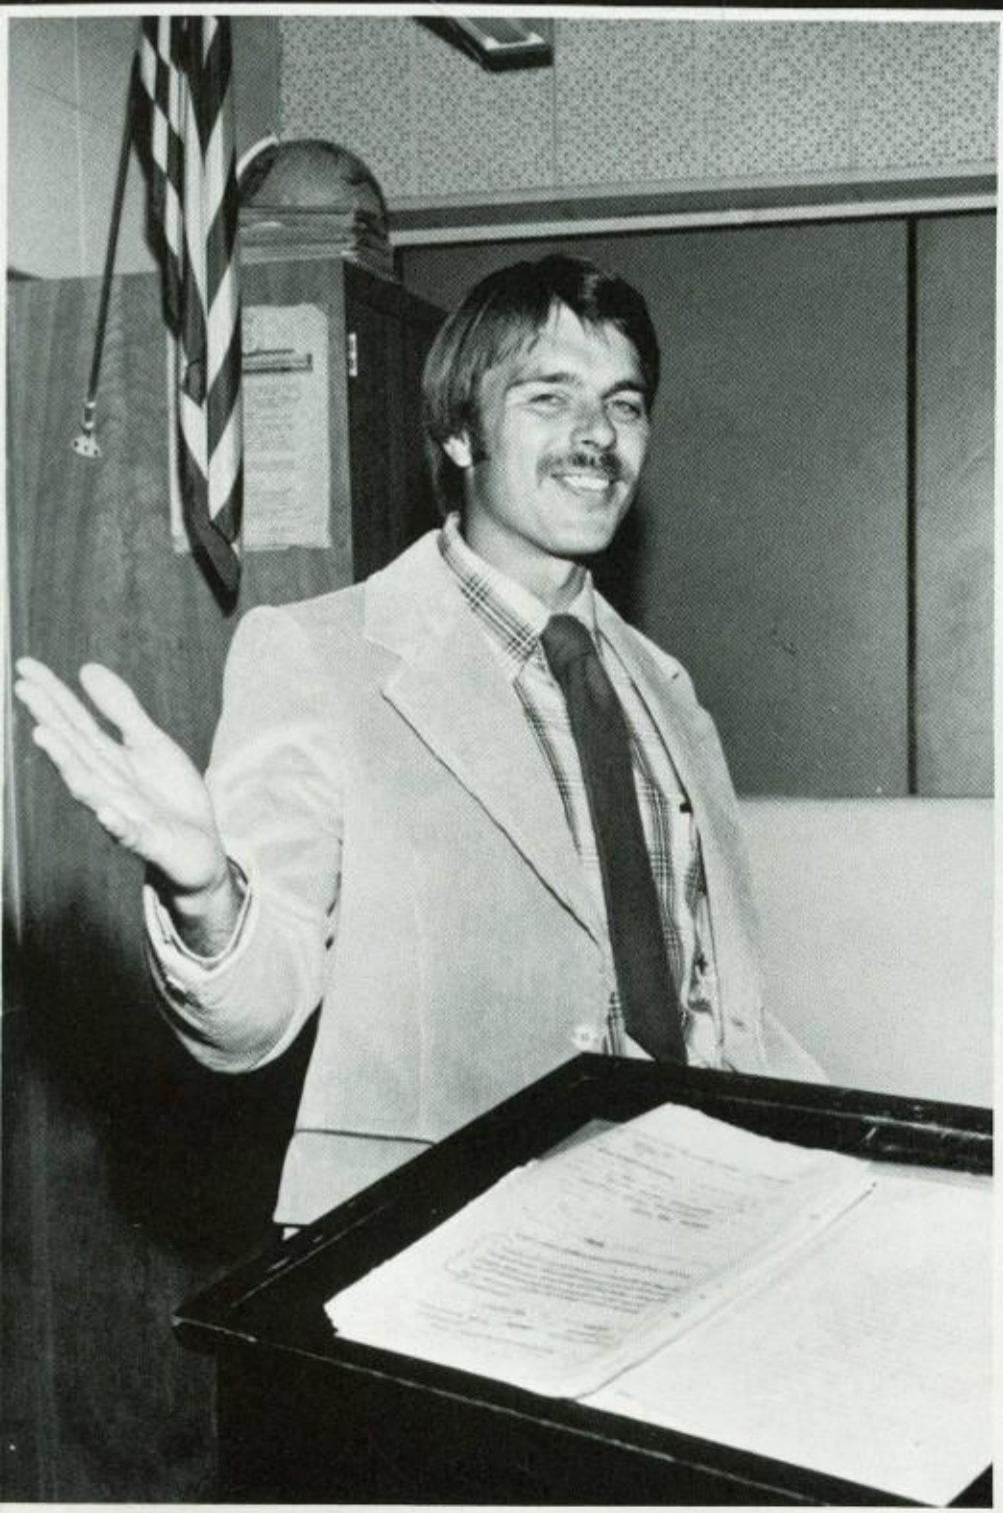

The Junior Varsity level in football, tennis, cross country and track, the sophomore level in basketball and the entire wrestling team have all been eliminated. Eighth grade sports have been added to the sports scene, while the girls program remained the same.

Neff saw the football team go to the finals in CIF, and the Girls Volleyball team entered CIF for the sixth straight year. Girls tennis had a very successful year, going far in league finals. Basketball at all levels had a fair season, while the cross country and track teams turned in winning seasons. The softball and baseball teams did well, while the eighth graders gained valuable experience for next year.

Whether winning or losing, Neff showed the infamous pride that never faltered, and proved again that, "We're No. 1!"

1. Ted Haupert throws to second during a varsity game.
2. Don Adams executes the long jump well.
3. Tom Hensley shoots over a defender in a J.V. game.
4. Rita Robertson stands alert in a varsity softball game.

ROSECRANS & LA MIRADA BLVD.

The school year of 1978-79 has been noted by the Annual Staff as the "Year of Change". The purpose intended for this year's Troiani was to point out the many good changes that took place throughout the year.

Hard work and dedication by this year's staff is what made it all possible. For this, I would like to thank my entire staff. My special thanks is given to my section editors: Melanie, Janine, Ginny, Karen, Carol, Cam and my assistant editor, Colleen and our photographers. Jamie Nestor and Kirt Dunn should also be noted for helping the photographers.

Thank you Miller for all of your experience, dedication and support which also contributed to this fine yearbook.

Because this yearbook contains a part of each of you is why I'll always treasure it. May any future changes benefit all of you in the utmost ways.
